

# ROAD TO ROMANIA

Alan & Ann Penrose founded the charity 'Support for Romania' in the aftermath of the Ceausescu regime. This book tells how God led them to begin this ministry and how He has continued to answer prayer from that day to the present. They have two children and four grandchildren and live in Cardiff.

*This book is rich in wonderful and amazing stories about so many dedicated people in Great Britain who sacrificially do and give so much to help the poor people of Romania. There are many moving stories about these Romanian Christians, unbelievably poor but so faithful to the Lord in spite of their utter poverty!*
